## The Annual Report

This Annual Report is an opportunity for members of the organising committee to report and reflect on the 2025 festival; look at what worked well; and what could be improved and share our thoughts and ideas with our sponsors, supporters, and the wider community. We hope you find it informative and useful.

## About Beeston Festival

Beeston Festival is organised by a committee of local volunteers, with posts of chair, secretary, and treasurer elected at an Annual General Meeting. We work closely with other groups and agencies including Friends of Cross Flatts Park, local sport, arts, and youth organisations, and Leeds City Council's Parks Department. Our operating ethos is one of participation and empowerment and of partnership working.

The Festival aims to provide an exciting, entertaining, and informative day that brings together all the different communities in Beeston. We hope to

promote community cohesion, local regeneration, community sports and arts, and environmental education. We also aim to portray both Beeston and Cross Flatts Park positively.

The Festival has become a major community event for the area, thanks to the hard work of many people. It aims to provide something for everyone. Those who attend can:

- Get information from the various organisations that operate in the area.
- Find out about issues affecting Beeston.
- Speak to or get involved with community and sports groups.
- Sample the food, music, and culture of other sections of the Beeston community.

Each year the committee seeks new ways of attracting people and improving the event. We remain open to new ideas, ways in which things can be done better, and of course, to new people getting involved with the Committee or helping on the day. It is a genuine community event, and whilst we acknowledge with thanks the support of agencies and organisations, we remain rooted in the community.

## The 2025 Festival

The 2025 event was held on Saturday 28<sup>th</sup> June in Cross Flatts Park.

Once again, we had excellent feedback that people had enjoyed the day. Thousands of residents came out to enjoy the day, see what was on

offer, and have fun. We were also joined by an increasing number of people from other parts of the city – the Festival is helping Beeston to become a destination!

We followed the successful layout of previous years and provided three performance areas. One of the stages is dedicated to more local and busker acts located in the food court.

Stalls were spread out along the paths under the trees in a village street style, with a dedicated food court in the centre of the stalls. Children's activities joined up the spaces between the main stage and the sports activities, giving the event a unified feel. Once again this year we placed more of the kids-related stalls near the kid's area, which proved to be a successful formula. We also added an extra stall area to help with demand.

We once again had Bowland Farm attend with their farm animals, as well as birds of prey and ferret racing. A fun fair was also set up below the sports activities.

## Organisation Before The Day

The Committee works for 12 months to plan and organise the Festival. The work was divided into several “Action groups” (finance, stalls, volunteers, etc.) which allowed us to get the detailed work done between meetings and then report progress at subsequent committee meetings. The result was that the work was shared effectively and everyone felt involved.

The scale of the Festival means we have to take security issues seriously. We were well supported by West Yorkshire Police who provided a visible presence. This was supplemented by a small team of stewards we hired to assist with security at the festival. The teams worked well together, and the event passed off without incident.

## Publicity

Local news website and newspaper South Leeds Life gave us good coverage in the lead-up to the festival as well as a review of the event.

This year we continued to increase our social media presence with a series of posts on Facebook and Instagram leading up to the day and live coverage at the Festival. We also did some targeted advertising of the music acts on Facebook and Instagram to people across Leeds.

In the run-up to the event we:

- Displayed banners at strategic sites around Beeston.
- Produced programmes distributed through local schools, libraries and colleges, and distributed at the festival.

The Children and Young People's activities were very successful.

Yorkshire Contemporary attended to provide arts activities alongside Kidz Klub, and we delivered a range of activities including arts and crafts, Library bus, lego box and inflatables.

## Entertainment

This year's Festival featured a diverse range of entertainment. The main stage was headlined by African hip-hop act RDC Soldier, supported by: the Joe Moore Band, Asmarina Voices, DJ Danny, Majesty and Romane Gytars.

The Emerge stage featured Enigma, Ali Flex, J Bravo CAG, Jodie Chubby Chubster and Le Chat Violet and DJ Tee Jackson. This year the stage was pedal powered thanks to our partners Roadblock.

At the Arena, we had performances from AJ Collins Dance Academy, DAZL, Morley All-Stars Majorettes, Leeds Baton Rouge Majorettes, LS TEN, RJC, South Asian dance from Sreenanda Lahiri Kalinka BCM; South African drummers YesizweProduction; Hello Hip Hop; Fire eaters from Yorkshire Circus and Reetwirlers Majorettes.

We also had roaming acts that interacted with festivalgoers, these included Yorkshire Circus.

## Children & Young People

## The Bazaar

Once again there was a large range of stalls with numerous organisations and individuals on over 100 pitches in the Bazaar. These ranged from health and education through to community groups, faith groups and sole traders. The "village street" layout under the trees at the top of the park worked well.

In addition, we included a section of stalls near the kids' area to allow more vendors to attend the festival.

Returning for 2025 was a dedicated food court in the centre of the Bazaar where all the food stalls were located and seating was available for people to enjoy their food. The Emerge stage was once again located within the food court providing entertainment for people while they ate. We continued to provide power, using a low-emission generator, to food vendors.

The Beeston festival team put on the usual stalls: Barbecue, cafe, cake, and jam stalls. We decided to keep the food and drink prices the same as last year, despite our costs rising, to help people struggling with the cost of living crisis.

## Finance & Sponsorship

The Committee thanks our sponsors this year:

- Building Blocks Nursery
- Eden Park Nursery
- Beeston in Bloom
- Friends of Cross Flatts Park
- Health For All

We thank the Leeds City Council Inner South Community Committee for their grant.

In addition to grants, we raise funds ourselves. Our stalls on the day (Barbecue, Cafe, Cakes, Jams, etc).

## Volunteers

This year, we had around 44 volunteers - not including the 13 committee members (also all volunteers). They came from a wide range of cultures, ages, and walks of life.

Between them, they worked approximately 540 hours for free. The Community Development Foundation calculates that an hour of a volunteer's time is worth £13.70. This equates to £7398 worth of donated time.

They got through a vast range of work: setting up stages; moving generators; directing traffic; looking after lost children; picking up litter and managing stages to name but a few.

We had positive feedback from the volunteers who said, "Volunteering makes me feel part of my local community and helps me to meet other people".

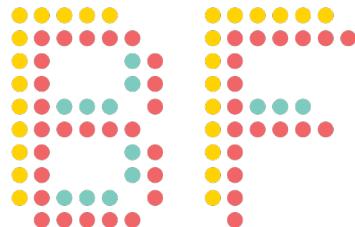

## Acknowledgements

The Committee thanks all our supporters who helped make this year's Festival a success.

- The Council's Parks Department, and especially
- Youth Services
- All the volunteers who helped out on the day
- All the sponsors and funders
- All the performers, stallholders, and sports coaches
- Everyone who came along and made it such a great day.
